Map of parking lot

X = black + green + orange spots

Green means free to take
Orange means conditionally open (can only take if you set leave time before the occupant you would block)
Black are the reserved slots, which turn orange when they would not block a free spot.
Red are taken spots
Tap on a spot to view details

Sends message to lot creator
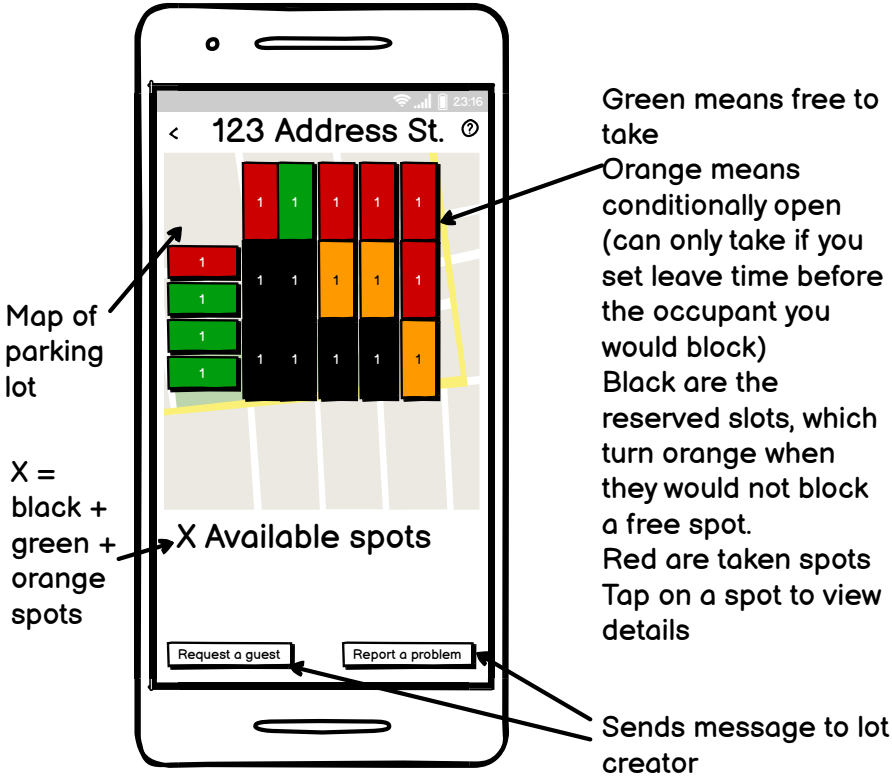

# After clicking a green / orange spot

< Spot 123

Arrival date & time

Departure date & time

Notes (optional):

ex: Feel free to ask me to move!
